## Kit list for PGL 2018

### Clothing for the journey

- Sturdy trainers
- Old trousers (no jeans please), long sleeved top and jumper/sweatshirt/fleece.
- Waterproof coat with a hood - you will be expected to have your coat with you on the coach.
- (Parents: Please be mindful that if the weather is bad, your child will be outside for the majority of the day come what may - will their coat keep them warm and dry?)
- If your child is likely to be travel sick, please make sure they have had medication/are wearing a wrist band etc and pack them a change of clothes plus sick bags, 'just in case'.

### For the journey

A small named rucksack to hold:

Mid-morning snack

- A packed lunch (all packaging needs to be disposable)
- A named water bottle - to be kept and reused each day
- Sunhat and sun protection cream (you never know!)
- Warm hat, scarf and gloves (again, you never know!)
- Waterproof trousers (if you have them)
- Book
- Paper and pencil game (made for home learning)
- Mp3 player (to listen to music on the coach/quietly at bedtime/if an early riser)
- Spending money in a named purse/wallet - there is a small shop on site which sells PGL paraphernalia and snacks. Optional. Max £3

### Packed in a named soft holdall

(Please do not use a 'suitcase' as it is very difficult to store bulky items in the dormitories)

**Pack:**

- 4 Long sleeved tops (t-shirt type material is ideal. This is a requirement for activities)
- T-shirts
- 4 Pairs of old trousers / jogging bottoms (No jeans or leggings please)
- Warm sweatshirts / jumpers
- Spare pair of old trainers (these will get wet and muddy during a water based activity)
- Pair of clean shoes for indoors
- Plenty of socks and underwear

- A strong prepacked bag containing an extra towel and a complete change of clothes (a pair of pants, socks, trousers, long sleeved top and shoes). This for showering after your child goes to the water based activity. Many children find it useful if this bag is labelled (clothes to take to water activity).
- Pyjamas
- Large towel for use in the bathroom
- Wash kit in a bag
- Hair brush / comb (and bobbles to tie back long hair)
- Lip balm - experience tells us being outside in all weathers can cause sore lips
- A strong plastic bin bag for wet and dirty clothes.
- Travel clock if you have one - there is no need buy one especially but you can get them from the pound shop!
- Teddy - essential!
- Torch with spare batteries / wind-up. The torch must be labelled with your child's name. This torch is only to be used when instructed (ie for evening activities) - not for staying up late reading!
- There is no need to send additional food - there is plenty to choose from!
- Sleeping bag, pillow and pillow case. Please practise packing your sleeping bag in its cover if it has one. You need to be able to pack it without an adult doing it for you! Pack these items in a separate named bag if needs be.
- All clothes (even underwear, socks, footwear) and belongings should be clearly named - clothes are often left in the drying rooms and we cannot return them to their owners if they are not named.

Staff are not able to take any responsibility for lost or missing property so please do not send your child with anything valuable.

We will of course do our best help your child find anything that is missing.
