Dear Parents and Carers,

Thank you to everyone who attended Sports Day on Monday. We appreciate your feedback on the new changes we are trialing this year. Your suggestions, along with input from the children and staff, will help us make further improvements for next year. I would also like to thank all the children for their enthusiastic participation in the races. We will announce the house winners during our whole school assembly next week and share the results with you as well.

A huge thank you to the PTA for organising such a fantastic disco for the Year 6 children. They had a fabulous evening and truly appreciated all the time and effort put into making this event special. It's been a busy few weeks for Year 6 with their play and other activities. Their final event together will be a service at St. Mark's Church next week. We look forward to seeing Year 6 parents and carers there at 9.30am.

While it is sad to see our Year 6 children leave soon, it has been a pleasure to welcome our new Year 3 children to the school. They had a great day and quickly settled into life at BJS. I would like to thank our Year 5 students for being such great mentors. They showed kindness and respect towards the new children and helped them to create new friendships. It was wonderful to see the children happy and engaged in the exciting learning opportunities organised by their new teachers. We look forward to seeing them again next term.

Have a wonderful weekend.

Summer HAF 2024 Holiday Activities & Food (HAF)

Dear Headteacher & Staff,

The HAF programme offers support to families on lower incomes, giving young people the opportunity to access enriching activities alongside healthy meals over the main school holidays in Winter, Spring & Summer. Please note that this programme is entirely separate from the Local Welfare Scheme's household support funding (i.e. supermarket HUGGG vouchers).

Each eligible young person (in full-time education from Reception to Year 11 who receive benefits-related free school meals) with a HAF code can access a maximum of **16 sessions** over the Summer holidays. Families have the flexibility to book with multiple activity providers if desired.

Eligible families need to request a HAF Code via a brief online form. This can be found at www.warwickshire.gov.uk/haf. Please share this with families. We can re-send codes if required, just send us an email via hafprogramme@warwickshire.gov.uk

For families not in receipt of benefits-related free school meals, we can release a limited number of HAF codes for each delivery period. In order to qualify, the family must be facing a significant financial barrier and the child(ren) must fall into one, or more, of the following categories;

- Have an allocated family support worker or social worker
- On an open early help plan
- Acts as a young carer

A separate referral form will need to be completed by a professional on behalf of the family. **The referral form can be accessed by contacting the HAF team on hafprogramme@warwickshire.gov.uk**

Thank you for supporting our programme by circulating this information with your staff and school community.
