Dear Parents/Carers,

It has been a cold but busy week. A number of our Year 6 children have braved the chill to take part in their Bikeability training and have been brilliant at learning how to ride safely and confidently on the road. They have developed important skills such as controlling the bike, understanding road signs, signalling, and being aware of other road users. There will be more opportunities for other Year 5 and 6 children to take part in the upcoming sessions.

Congratulations to our Year 3 and 4 children who took part in the athletics competition at Harris this week. The children were great ambassadors for the school and demonstrated fantastic sporting talent. We are very proud of them for achieving overall second place against a number of schools.

A reminder that it is a non-school uniform day on Friday 5th December. We are kindly asking for donations for the Christmas raffle on this day. Each class has a set colour for the theme of the raffle items; these can be food or drink items (including alcohol), toiletries, toys, or anything else you can think of in that colour. Please do not send in any nut products.

Class colours are as follows:

3LD – Yellow, 4SS – Blue, 5MB – Green, 6NV – Orange, 3HN – White, 4SR – Purple, 5PA – Red, 6LB – Pink, 3TP – Red, 3RY – Blue, 4EL – Green, 5LM – Yellow, 6KC – Orange.

The children are really looking forward to the start of Advent next week, and it was lovely that Miss Lewis introduced the Posada assembly this week. BJS has been actively participating in hosting The Posada, collaborating closely with St Nicholas Church, Willoughby. The Posada is a religious festival celebrated in Mexico that commemorates the journey Joseph and Mary made from Nazareth to Bethlehem in search of a safe place for Mary to give birth to Jesus. We will continue our Advent celebrations next week by lighting the first candle.

Year 6 have also taken part in The Stephen Lawrence Day Foundation workshops. These sessions are designed to honour Stephen's legacy and inspire young people. The workshop explored themes of equality, inclusion and opportunity, while encouraging the children to express themselves creatively and confidently. We are proud, as a school, to continue to reflect, learn and take action in the spirit of Stephen Lawrence's legacy.

Wishing you all a wonderful weekend,

Mrs Ross

MHST Mental Health in Schools Team Tips For Wellness

Inclusion and Belonging

Inclusion means making sure everyone feels welcome, accepted, and valued, no matter their differences. It's about creating a space where everyone feels like they belong—whether it's at school, at home, or with friends. Belonging means feeling like you are part of something and that you matter.

How to make others feel included:

- Be Friendly and Approachable**
Smile and say hello to people to make them feel welcome.
- Invite Others to Join In**
When you're playing a game or starting a conversation, invite others to join in. This could stop them from feeling left out.
- Listen to Everyone**
Take the time to listen to others, showing them that you care about what they say, even if their opinions are different from yours.
- Celebrate Differences**
Embrace everyone's differences and learn from them. It's what makes us all unique!
- Use Positive Words**
Use words that make others feel good, rather than teasing or making fun of them.
- Be Open-Minded**
Try to see things from someone else's point of view, to help build respect and connection.

Tips for feeling like you belong:

- Be Yourself** - Don't try to change who you are to fit in. You belong just as you are!
- Find Your Tribe** - Surround yourself with people who support and accept you. Finding people with similar interests to you can be a great place to start.
- Take Care of Others** - When you make others feel like they belong, you help create a sense of belonging for yourself too.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the Children and Young People's Mental Health Crisis support available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.
Please contact your school's Mental Health Lead for information and advice.

What Parents & Educators Need to Know about TIKTOK

WHAT ARE THE RISKS?
Online videos are often associated with apps such as YouTube, but among teens, TikTok is king. The app provides a potentially addictive, never-ending stream of short clips tailored to users' interests based on their viewing history. Around half of British children use TikTok, and while most content is benign, it does contain 13+ content that is not suitable for children.

AGE-INAPPROPRIATE CONTENT
TikTok's algorithm feeds users content based on their interests, which may include content that is not suitable for children. This includes content that is violent, sexual, or otherwise inappropriate. Parents should monitor their child's account and discuss the risks of using the app.

CONTACT WITH STRANGERS
TikTok's 13+ age restriction is not always enforced, and users can interact with strangers. This includes commenting, direct messaging, and duetting. Parents should discuss the risks of interacting with strangers and encourage their child to report any inappropriate behavior.

MISINFORMATION AND RADICALISATION
TikTok's algorithm can feed users content that is misleading or false. This includes content that promotes hate speech, radicalisation, or other harmful ideologies. Parents should discuss the importance of critical thinking and encourage their child to report any harmful content.

ADDICTIVE DESIGN
TikTok's algorithm is designed to be addictive, keeping users engaged for long periods of time. This can lead to excessive screen time and other negative impacts on mental health. Parents should discuss the risks of addiction and encourage their child to take breaks from the app.

ADVICE FOR PARENTS & EDUCATORS

- ENABLE FAMILY PAIRING:** Parents can enable family pairing on their child's account to monitor their activity and restrict their content.
- DISCUSS THE DANGERS:** Parents should discuss the risks of using TikTok and encourage their child to report any inappropriate behavior.
- READ THE SIGNS:** Parents should look for signs of excessive screen time, mood changes, and other negative impacts on their child's behavior.

LEAVE OF ABSENCE DURING TERM TIME UPDATED INFORMATION FOR PARENTS

Your child's progress academically as well as socially is our shared priority.

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Plett v Isle of Wight 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application. Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance. Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave. The school can only consider Leave of Absence requests which are made by the 'resident' parent in the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'. All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices - 4 in total).

- First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.

- Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.

- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.

- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will be not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under s444 of Education Act 1996.
