Christmas services

**Tuesday
16th December**

Dear Parents and Carers,

I would like to begin by offering a huge thank you to St Mark's for hosting such a beautiful Christingle Service on Sunday. The church looked absolutely stunning with the glowing candlelight and wonderful decorations. The Christingle tradition is always a cherished reminder of light, hope, and community, and it was a real privilege for us to be part of such a special occasion. A particular well done to the choir – your singing filled the church with joy and helped create a truly magical atmosphere.

Music has continued to be a theme throughout the week as we also extend our thanks to Mr Cantillon and the children of 6KC for their brilliant assembly. They shared the story of Saint Nicholas, explaining how he was a kind and generous Christian bishop, well known for secretly giving gifts to the poor and to children. This inspiring tale helped the children understand how his acts of kindness contributed to the legend of Santa Claus we know today. The assembly ended with singing accompanied by Mr Cantillon on his guitar, which certainly helped everyone feel wonderfully Christmasy.

A huge thank you also goes to Mrs Pepper and her fantastic team for organising such a successful Christmas dinner. The children thoroughly enjoyed their special festive lunch, and it was delightful to see the school filled with colour as everyone arrived in their favourite Christmas jumper. Moments like these really highlight the warmth and spirit of our school community.

We are very much looking forward to seeing many of you at the church next week for our Christmas services. A gentle reminder that the Year 3 and Year 5 service will take place at 10.00am, followed by the Year 4 and Year 6 service at 11.30am. We hope you can join us for what we hope to be a very special occasion.

Thank you once again for your continued support throughout this busy and joyful time of year.

Have a wonderful weekend.

Tips For Wellness

Connect

Children thrive when they feel connected to family, friends, and their community. As a parent or carer, you play a key role in helping them build strong relationships and emotional resilience. Connection is essential for emotional wellbeing – small, consistent action such as listening, playing and supporting friendships can have a lasting impact.

Our tips for connecting at home:

- 1. Encourage Everyday Conversations**
 - Ask about your child's day and really listen.
 - Share your own stories to show openness and trust.
 - Try 'highs and lows' of the day at mealtimes—what was the best and hardest part?
- 2. Support Play and Shared Activities**
 - Play games, do crafts, or cook together—these build bonds and social skills.
 - Encourage your child to join clubs, sports, or hobbies with peers.
 - Tip: Even short periods of shared fun strengthen relationships.
- 3. Model Positive Friendships**
 - Show healthy ways to make and maintain friendships.
 - Talk about how you handle conflicts or disagreements respectfully.
 - Tip: Children learn connection by watching how you treat others.
- 4. Encourage Empathy and Kindness**
 - Praise acts of kindness and encourage helping others.
 - Discuss feelings and perspectives to build emotional awareness.
 - Tip: Use stories or role-play to practice empathy in everyday situations.
- 5. Quality Family Time**
 - Share meals, read together, or have family game nights.
 - Even 10–15 minutes of focused attention helps children feel valued.
 - Tip: Make time a priority, not just a free moment.

Remember:

- Connection is a skill children can develop—your support makes a difference.
- Small, consistent efforts to nurture relationships build lifelong wellbeing.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.
Please contact your school's Mental Health Lead for information and advice.

LEAVE OF ABSENCE DURING TERM TIME

UPDATED INFORMATION FOR PARENTS

Your child's progress academically as well as socially is our shared priority.

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wight 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application. Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent i.e. the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'. All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).
- First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notices will not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under S444 of Education Act 1996.
