Day**

Dear Parents and Carers,

We have been continuing our theme of resilience in assemblies and have been reflecting on the story of Noah's Ark, considering how Noah showed great resilience and determination when faced with such a huge challenge. Even when a task seems impossible, when people doubt us, or when it takes a long time, we can be resilient. We can keep going, work hard and trust that doing the right thing will lead to good things—even when it feels scary or difficult. This message was reinforced through Mr Page's class assembly.

I would also like to share with you the privilege I have of spending time in classrooms throughout the week. It is a pleasure to see the high-quality learning that takes place and I wanted to give you a flavour of this by sharing the creativity and engagement I see every day. What follows is just a snapshot from one half-hour walk around one afternoon this week.

One Year 6 class was outside enjoying learning new tag rugby skills. There was clear determination to apply the skills Mr Cantillon was teaching them and they were not put off by the weather! Another Year 6 class was deep in reflection, exploring how Eco Churches express Christian ideas about being caretakers of creation. I was impressed by the creativity of the children's ideas.

In Year 4, one class was busy being scientists and creating circuits. They linked this brilliantly to everyday life situations and even engaged with the PAT testing specialist who was testing school equipment at the time. There was a real buzz of excitement (excuse the pun!) and the children were clearly proud of their achievements.

I then visited Year 3, where the children had just finished watching a live assembly about Antarctica. They were keen to share their new learning through a 'walk and talk'. Another Year 3 class was busy testing magnetic materials, making thoughtful predictions and carefully recording their ideas.

My half-hour walk ended in a Year 4 class where the children were enjoying their artwork. They were learning about and applying the technique of pointillism, which involves using small, distinct dots of colour to form an image. The children were able to talk confidently about their work using subject-specific vocabulary such as 'stippling' and were clearly proud of their creations.

Along the way, I also saw a range of targeted interventions in place, including pastoral support such as 'Talk About' and reading support through 'Project X'.

Checking in on children and seeing the fantastic learning taking place is certainly a highlight of my day and I hope you have enjoyed reading about the wonderful things that go on in school. I am sure you will hear more about this during parent meetings in a few weeks' time.

Have a great weekend.

Mrs Ross
Head of School

Plantagenet Drive, Rugby, CV 22 6LB

For more information, to arrange a visit to the school or to access application forms please contact us: Telephone: 01788 811549 E-mail: finance2420@welearn365.com

LEAVE OF ABSENCE DURING TERM TIME
UPDATED INFORMATION FOR PARENTS

Your child's progress academically as well as socially is our shared priority.

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wight 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.
 Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.
 Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.
 The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'. All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices - 4 in total).
- First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notice will not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under s444 of Education Act 1996.

How to Set up PARENTAL CONTROLS to limit age-inappropriate CONTENT Android Phone

NOS National Online Safety
www.nationalonlinesafety.com

The settings on an Android device allow you to prescribe certain rules for when your child is using it. For example, you can block specific types of content to reduce the risk of your child being exposed to age-inappropriate material (music, film, explicit texts, for example, and games, TV shows or movies that are unsuitable for young people). There are two ways to access parental controls on an Android phone: through Google Play or via the Google Family Link app. You can also lock your changes behind a PIN, so your child (or anyone else) can't change them back.

Set up parental controls with Google Family Link

- 1 On your phone, install Google Family Link for Parents
- 2 Tap Open and review the information
- 3 Tap Get Started
- 4 Tap Next to set up your child's device
- 5 On your child's phone, download Google Family Link for Children & Teens and enter the Family Link setup code provided
- 6 On your phone, open the Family Link app
- 7 Tap your child's name
- 8 Tap Manage Settings
- 9 Tap Controls on Google Play
- 10 Tap the content you would like to restrict
- 11 Choose how to filter or restrict access

Set up parental controls with Google Play

- 1 Open the Play Store app
- 2 Tap Menu (represented by three horizontal lines)
- 3 Tap Settings
- 4 Tap Parental Controls
- 5 Enable Parental Controls
- 6 Create Pin
- 7 Tap the content you would like to restrict
- 8 Choose how to filter or restrict access

MHST
Mental Health in Schools Team
Tips For Wellness

Mood Boosters

Our mood can change, and this is completely normal. You may notice that sometimes you are feeling more tired than usual, maybe stressed or experiencing difficulties with schoolwork or friendships. Situations like these may cause you to feel a bit low, it can be really helpful to talk about these things with an adult, or someone you trust.

Whilst it is normal to feel this way at times, there are things we can do to **boost** our mood and help us to feel happier. By doing more of the things we love and value, or 'doing more of what matters', we can boost our mood. This helps us to feel less tired, have an increased sense of achievement, feel better about ourselves and have some fun!

Our tips for boosting your mood:

1. Have a look at the **BBC Moodboosters** video resources by scanning the QR code. There are a selection of videos to try, you could do these with a friend/ family member, with your class, or by yourself. But most importantly, have fun!

2. The **five ways to wellbeing** - can you challenge yourself to try one of these for each day over the next week! Watch the video on the QR code for more information.

- o **Connect** - Reach out to a friend/family member, listen to music that reminds you of happy memories, look at old photographs, or arrange activities with friends.
- o **Be Active** - Try different ways to get your body moving. You could dance, walk, skip, or hula hoop!
- o **Take Notice** - Spend time outside appreciating nature, maybe on your way to school or practise mindfulness
- o **Keep Learning** - Read a new book, watch a documentary, follow a new recipe, or learn a new language.
- o **Give** - Give someone you love a hug, hold the door open for the person behind you, or give your time to help others.

In Coventry and Warwickshire, for any urgent mental health concerns, contact the **RISE Crisis Helpline** available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.
