Bring in to school  
Friday 27th March

Dear Parents/Carers,

It has been another busy and exciting week at BJS! Year 4 have thoroughly enjoyed enriching their learning about the Mayans through a special Mayan Day, where they took part in a range of engaging activities including creating delicious food and producing some wonderful artwork. Our Young Carers also had a fantastic opportunity to visit Bilton Grange to watch a performance of High School Musical, which was greatly enjoyed by all. To top it all off, the school has been full of energy and enthusiasm as we celebrated Red Nose Day, bringing lots of fun while supporting a great cause.

It has also been a great week for our Walk and Wheel initiative. With the arrival of better weather, more families have been encouraged to leave the car at home and choose to walk or cycle instead. It has been wonderful to see so many children arriving at school with smiles on their faces after an active start to the day. Our JLT and Eco-Team have been keeping a record of how many pupils are travelling actively to school and they have been really pleased with the results so far. It's fantastic to see so many families getting involved and supporting the initiative. Thank you to everyone who has taken part this week—your support really is making a difference. Let's keep the momentum going and continue to make Walk and Wheel a positive and healthy habit for our whole school community.

On Thursday, we will have our Easter service at St. Mark's. Instead of it being a performance, it is an extension of the work completed in class during RE lessons surrounding the Easter story. Therefore, we have not invited parents on this occasion, but look forward to inviting you to future events. The service will provide a wonderful opportunity to visit St. Mark's, offering a perfect setting to reflect on the significance of Easter in the Christian calendar.

We look forward to seeing the children at the discos next Thursday and are 'egg-cited' to see all the fantastic entries for the egg decorating competition on Friday!

Have a great weekend,

Mrs Ross

### LEAVE OF ABSENCE DURING TERM TIME UPDATED INFORMATION FOR PARENTS

Your child's progress academically as well as socially is our shared priority.

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wight 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application. Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance. Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave. The school can only consider Leave of Absence requests which are made by the 'resident' parent ie the parent with whom the child normally resides.

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'. All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices - 4 in total).
- First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notice will not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under s444 of Education Act 1996.

## What Parents & Educators Need to Know about GENERATIVE AI SAFETY

Generative AI tools - such as ChatGPT - are now commonly used by children. In fact, 3 in 4 pupils in the 2024 Annual Literacy Survey reported using generative AI, up from just 2 in 5 the previous year. While these tools can boost learning and creativity, they also raise concerns around misinformation, privacy and security. This guide explores the key risks and how to support safe use.

**WHAT ARE THE RISKS?**

- MISINFORMATION AND ACCURACY:** Generative AI can sometimes produce false or misleading content, and even fabricate information. This can be particularly concerning for children who may not have the skills to critically evaluate the accuracy of the information.
- EXPOSURE TO INAPPROPRIATE CONTENT:** Generative AI is trained on vast amounts of data from across the internet, there is a risk of inappropriate content, without parental or supervisory oversight. Active monitoring and parental controls are essential to ensure children are not exposed to inappropriate content.
- PRIVACY AND DATA SECURITY:** Some AI tools ask for personal details or other sensitive information. If this information is not securely stored or protected, it could be shared with third parties or used for other purposes.
- REDUCED CRITICAL THINKING:** Relying too heavily on AI-generated content may reduce children's ability to think independently and critically evaluate information. It may also reduce their ability to research, analyse and form their own opinions on complex issues.
- DIGITAL DEPENDENCY:** Excessive use of generative AI can lead to children becoming overly reliant on AI for their schoolwork, which may impact their ability to learn and develop their own skills.
- UNCLEAR ETHICAL BOUNDARIES:** Children may struggle to understand the ethical implications of AI, such as the potential for bias or discrimination, or the impact on jobs and the environment.

**ALL THE ANSWERS**  
12+12 = 1212

**Advice for Parents & Educators**

- ESTABLISH CLEAR GUIDELINES:** Set clear, age-appropriate rules for when and how generative AI can be used. Encourage children to think critically and to verify information.
- PROMOTE ACTIVE SUPERVISION:** Stay on top of how the children in your class use AI tools. Check in with them regularly to ensure they are using AI responsibly and to provide support where needed.
- ENCOURAGE CRITICAL EVALUATION:** Help children to question the accuracy of AI-generated information and to verify information from other sources.
- ENHANCE PRIVACY AWARENESS:** Talk to children about the importance of keeping personal information private. Make sure they understand not to share sensitive data.

## THE LUCA FOUNDATION

### Helping Schools Support Children Through Grief

The Luca Foundation delivers grief training in schools to help teachers support children through loss, whether that is the death of a loved one or pet, the loss of health, or other life changes. The training gives staff the tools and confidence to talk about grief in an open and compassionate way, helping children feel understood and less alone.

Alongside the training, schools and families can also access a range of wellbeing gifts and the book 'Endless Love Finding Your New Normal', available at [www.endlessloveshop.co.uk](http://www.endlessloveshop.co.uk).

To learn more about the charity and its work, please visit [www.thelucafoundation.org.uk](http://www.thelucafoundation.org.uk).

**Tips For Wellness**

**Positivity**

*"Every day may not be good, but there is something good in every day."* - Alice Morse Earle.

Positivity means focusing on the good things in life, even when things get tough. It's about thinking and acting in a way that makes you feel happy and hopeful. Being positive can help you feel better, solve problems, and have a more joyful life.

**Our tips for practising positivity:**

- **Focus on the good** – Look for the positive in every situation. Every day, there is always something positive.
- **Use positive words** – Try saying things like "I can do this" or "I'll keep trying and I will get there".
- **Be kind to yourself** – Don't be too hard on yourself. Try to remind yourself that you are trying your best. Celebrate any small successes!
- **Practise gratitude** – Think about three things that you are thankful for each day. It could be something as simple as a sunny day or a friend saying something nice to you.
- **Spend time with positive people.**
- **Find something you enjoy** – Whether it is a hobby, sport, quality time with friends and family, or watching your favourite TV programme, doing something you love can bring you joy.
- **Try using positive affirmations** – Tell yourself one positive thing every day, like "I am enough" or "I am trying my best".
- **Help others** – Helping someone else, even in a small way, can make you feel good about yourself too.
- **Keep a positive journal** – Write down things that you are proud of or moments that made you smile.

**Positivity makes a big difference!**

When you practise positivity, you start seeing the world in a brighter way. You can face challenges with confidence and believe in yourself.

Positivity is also contagious — when you're positive, you inspire others to be positive too!

In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.

MHST are available to support you and your school throughout the school year including term time and school holidays.

Please contact your school's Mental Health Lead for information and advice.
