# BULLETIN

## Headlines

Dear Parents/Carers,

I would like to begin by offering a huge congratulations to all the children who took part in the swimming gala on Saturday. The team were fantastic ambassadors for BJS, demonstrating determination and resilience throughout. The children competed in individual races as well as relays and canon events. The final canon race of the gala was superbly won by our team, and they should be extremely proud of achieving second place overall in the event.

In assemblies, we have continued to focus on our theme of honesty. The children have enjoyed listening to stories such as Daniel and the Lion's Den and The Emperor's Contest, which have supported meaningful discussions around truthfulness and integrity.

This week, we were also delighted to welcome the Medical Mavericks team. A representative delivered an exciting and engaging assembly introducing the upcoming Future Medics after-school club, which will soon be launching at BJS. This fantastic opportunity is designed to inspire children through the fascinating world of science and medicine, helping them explore how the human body works in a fun and interactive way. We look forward to seeing the enthusiasm and learning this will bring.

Year 3 and Year 4 enjoyed a visit from an author this week, while Year 5 and Year 6 took part in the NSPCC's Speak Out. Stay Safe. programme. This initiative helps children understand different forms of abuse, recognise the signs, and know how to seek help by speaking to a trusted adult or contacting Childline.

It has been wonderful to see the children making the most of the improved weather and enjoying time outdoors. We are very fortunate to have such excellent grounds, and the children truly benefit from being outside. Let's hope the sunshine continues.

Have a lovely weekend.

## Get Outdoors

Spending time outdoors is great for your body and mind! It can improve your mood, reduce feelings of stress, improve your confidence, helps you to be more active and can reduce loneliness.

### How to get outside more:

- Take a Nature Walk**  
Find a park, trail, or even your garden and take a walk. Look around for birds, trees, and flowers that you can spot. You could try taking photographs and share them with a friend.
- Play a Sport or Game**  
Whether it's football, netball or running, outdoor sports are a great way to get moving. They also help us develop our communication skills when we play as part of a team!
- Do a Scavenger Hunt**  
Make a list of things to find outside—like a particular leaf or a butterfly—and go on a hunt to find them!
- Bring Your Hobby Outside**  
Do you like drawing, reading, or listening to music? Try doing it outside! Find a comfy spot on the grass and enjoy your favourite activities in the fresh air.
- Have a snack outside**  
Try taking a snack outside and eating it while focusing on the food and what is going on around you.
- Watch the Stars**  
On a clear night, lie on a blanket and look up at the stars. You might even see a shooting star or spot constellations.
- Meet up with a friend outside**

It can be helpful to get outdoors every day, even if only for a short time. You could try walking to a friend's house or to the shop instead of traveling by car or getting public transport. You could try to make getting outside part of your daily routine, whether it is riding a bike or sitting in a garden or park while you listen to music.

**In Coventry and Warwickshire, for any urgent mental health concerns, contact the RISE Crisis Helpline available 24/7, by calling NHS 111. Alternatively, call 999 or visit A&E in an emergency, for example if medical attention is required.**

MHST are available to support you and your school throughout the school year including term time and school holidays.  
Please contact your school's Mental Health Lead for information and advice.

## What Parents & Educators Need to Know about APP & PLAY STORES

### WHAT ARE THE RISKS?

- MALICIOUS APPS WITH MALWARE**  
Although Google and Apple must approve the apps on their official stores, malicious apps can still be found through the app stores. In 2023, the security company Emsisoft found that multiple iOS and Android apps contained malware designed to steal sensitive information, such as passwords and banking details, and to hijack the device's microphone.
- UNOFFICIAL COPYCAT APPS**  
Some official app stores contain copycat apps designed to look like popular apps, misleading users into downloading harmful software. These apps will usually just offer a poor experience packed with ads or a quick removal of the app. However, they are more likely to be used for surveillance than the products they are mimicking.
- INAPPROPRIATE CONTENT**  
As the App Store and Play Store are for all ages, there is a lot of content available that is inappropriate for children. Examples include apps that generate or generate, share or use sexually explicit content, that contain adult themes such as gambling and sex, which both have an age rating of 17+, can be gateways to adult content.

### PREDATORY IN-APP PURCHASES

App makers, as a business, must create revenue. Some app makers use in-app purchases to make money. Some apps will be free to download but will require the user to watch ads or rely on them making in-app purchases. Some apps can be purchased for free but have in-app purchases that are not clearly labeled as such. Some apps are free to download but have in-app purchases that are not clearly labeled as such.

### Advice for Parents & Educators

#### ACTIVATE PARENTAL CONTROLS FOR APPS

Both Google and Apple have apps that can give adults greater control over their child's app usage. Screen Time (under the Family Link app) offers a range of features, such as setting up app usage limits, restricting app usage to specific times, and controlling app usage. The daily time limits on specific apps, and control over in-app purchases.

#### DO YOUR RESEARCH

If a child asks permission to download an app, do your due diligence and research it. Read the app summary and search the app reviews. Ask your child to explain why they want the app. Have a discussion about the app's content, safety and appropriateness. If a child's device is not appropriate, look for other alternatives instead.

#### LOOK BEYOND THE REVIEWS

App store reviews are helpful, but they are usually general, and some malicious developers will pay for quick reviews to give their apps a good reputation. Take more time to do your own research. Look for reviews that mention security, safety, and privacy. If you've published a lot of unhelpful reviews, that's a red flag.

#### TALK TO YOUR CHILD

Take the time to talk to your child about apps. They're aware that apps can be risky. As part of a wider talk about internet safety, ask your child to explain why they want an app. Discuss the app's content, safety and appropriateness. If you've published a lot of unhelpful reviews, that's a red flag.

## Community Autism Support Service CASS [casspartnership.org.uk](http://casspartnership.org.uk)

If you live in Coventry or Warwickshire with a diagnosis of autism, or are awaiting a diagnosis, we may be able to help you, your parents or your carer.

You can start by calling the Navigation Team and ask about available support. Our team is made up of autistic individuals and those with lived experience, including parents or carers of autistic individuals.

Clear and timely support across Coventry and Warwickshire

## LEAVE OF ABSENCE DURING TERM TIME UPDATED INFORMATION FOR PARENTS

Your child's progress academically as well as socially is our shared priority.

The Supreme Court has clarified the law on unauthorised leave, including holidays, during term time (Platt v Isle of Wight 2017). The Supreme Court has made clear that attending school 'regularly' means that the children must attend school on every day that they are required to do so. As such, the parents of any child who is absent from school without authorisation for any length of time are likely to be considered as committing an offence under s444 of the Education Act 1996.

The law states a leave of absence may only be granted by a school if an application is made in advance and if it considers there are exceptional circumstances relating to the application.

Schools must judge each application individually considering the specific facts and circumstances and relevant background context behind each request.

A leave of absence is granted entirely at the school's discretion. Generally, a need or desire for a holiday or other absence for the purpose of leisure and recreation would not constitute an exceptional circumstance.

Where a leave of absence is granted, the school will determine the number of days a pupil can be absent from school.

When making an application for Leave of Absence parents are advised to give sufficient information and time to allow the Head teacher the opportunity to consider all the exceptional circumstances and to notify parents of their decision. The school may also request further information on the application and supporting documentation where appropriate. It is advised that if the resident parent has not received notification or a response regarding the leave of absence application, it is the parents' responsibility to ascertain if the leave is authorised prior to the start of the leave.

The school can only consider Leave of Absence requests which are made by the 'resident' parent (the parent with whom the child normally resides).

Where applications for leave of absence are made in advance and refused, the child is expected to be in school on the dates set out in the application. If the child is absent during that period, it will be recorded as an unauthorised absence. Where a leave of absence is requested, but additional days taken either prior to or after the request may be considered as part of the leave of absence.

Leave of Absences which are not made in advance cannot be authorised in line with legislation. This will result in the absence being recorded as 'unauthorised'. All matters of unauthorised absence relating to a Leave of Absence will be referred to the Warwickshire Attendance Service, part of Warwickshire County Council. Penalty Notices are issued in accordance with Warwickshire County Council's Code of Conduct for Penalty Notices and in the first instance, as an alternative to prosecution proceedings.

The law relating to Penalty Notices changed with effect from 19 August 2024. Therefore, Penalty Notices issued for Leave of Absence taken from September 2024 will be issued in accordance with the updated legislation.

- Penalty Notices are issued to each parent of each absent child, (for example 2 children and 2 parents, means each parent will receive 2 invoices – 4 in total).
- First Leave of Absence offence: The Penalty Notice amount of £160 to be paid within 28 days, this is reduced to £80 each child if paid within 21 days.
- Second Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): The amount of £160 paid within 28 days. No reduced amount.
- Payment plans will not be offered and/or payments received outside of the 28 day period will not be accepted. Where a penalty notice expires unpaid the matter will be referred to Warwickshire County Council's Legal Services to consider criminal prosecution.
- Third Leave of Absence offence within a 3 year period (from the date of issue of the first penalty notice): A penalty notice will not be issued and the matter will be referred to Warwickshire County Council's Legal Services to consider instigating criminal prosecution proceedings under s444 of Education Act 1996.

## ATTENDANCE LADDER

	<b>100%</b>	<b>PERFECTION</b>
<b>7.5</b> SCHOOL DAYS OFF THIS YEAR	<b>96%</b>	<b>GOOD</b>
<b>9.5</b> SCHOOL DAYS OFF THIS YEAR	<b>95%</b>	<b>NEARLY THERE</b>
<b>11.5</b> SCHOOL DAYS OFF THIS YEAR	<b>94%</b>	<b>NEEDS TO IMPROVE</b>
<b>19</b> SCHOOL DAYS OFF THIS YEAR	<b>90%</b>	<b>SERIOUS CONCERNS</b>
<b>28.5</b> SCHOOL DAYS OFF THIS YEAR	<b>85%</b>	<b>SERIOUS CONCERNS</b>

**Are you getting to school on time?**

Did you know?

5 minutes late every day = 15 hours a year = 3 days of learning  
 10 minutes late every day = 30 hours a year = 6 days of learning  
 15 minutes late every day = 45 hours a year = 9 days of learning  
 20 minutes late every day = 60 hours a year = 12 days of learning  
 25 minutes late every day = 75 hours a year = 15 days of learning

**Are you at school enough days?**

Did you know over 13 years:

1 day every 2 weeks = 20 days = 4 weeks a year = nearly 1.5 years  
 1 day a week = 40 days = 8 weeks a year = over 2.5 years  
 2 days a week = 80 days = 16 weeks a year  
 3 days a week = 120 days = 24 weeks a year
