

Bilton C of E Junior School

News, dates and little moments from school

Issue: 2

Half term: Autumn 1

Date 25th September 2026

Dear Parents and Carers,

What a fantastic and busy couple of weeks we have enjoyed at Bilton Junior School! It has been wonderful to see the children taking part in so many different opportunities and approaching each experience with such enthusiasm. Year 4 had a brilliant day at Lunt Roman Fort, where they were able to bring their classroom learning to life and find out more about Roman history. Year 6 have also been busy taking part in their swimming lessons, developing their skills and confidence in the water. We are very proud of the positive way the children have represented our school.

Thank you to everyone who supported our Jeans for Genes Day. It was lovely to see so many children and staff getting involved, and together we raised a fantastic **£267** for this important cause. Your generosity and continued support for our charity events are greatly appreciated.

We also loved welcoming so many parents and carers into school for our year group welcome meetings. The meetings gave families an opportunity to meet staff, find out more about the year ahead and learn how they can support their children at home. Thank you to everyone who attended and to our staff for making the meetings so informative and welcoming.

Next week, we are looking forward to our Macmillan cake mornings. These will take place on **Tuesday 29 September for Year 3, Wednesday 30 September for Year 4, Thursday 1 October for Year 5 and Friday 2 October for Year 6**. We hope that lots of families will be able to join us as we enjoy some delicious treats and raise money for another very worthwhile cause. We are extremely grateful if as many cake donations as possible can be brought in to school on **Monday 28th September**. We kindly ask that due to allergies in school that these are nut free and also don't contain strawberries of any kind.

You may have noticed that our newsletter is now a little shorter. We have made this change so that it focuses on the most important news, celebrations and information from school and is quick and easy for families to read. We will continue to share other events, reminders and useful community links through our Facebook page and school website, so please check these regularly to keep up to date with everything happening at Bilton Junior School.

Wishing you and your family a wonderful weekend.

Mrs Nicky Brown - Head of School

Our value this half term...

Respect

Our value in action

Over the past two weeks, we have continued to explore our school value of **Respect**. Children have reflected on how our differences make our school community richer and why everyone deserves to feel valued, included and safe. We discussed the importance of being curious rather than judgemental and remembered the Golden Rule: *"Do to others as you would have them do to you."*

We have also considered how we show respect when things go wrong or when we disagree. Children learned to **STOP, THINK and CHOOSE**: pausing before reacting, considering how others may be feeling and choosing words or actions that help rather than make the situation worse. We will be looking out for pupils putting this into action by listening to others, disagreeing respectfully and showing kindness even during difficult moments.

Pop these dates in your diary

Event

Week beginning 28.09.26 – swimming 6C

Monday 28th September – children bring in cake donations
