A warm welcome to our school

Known as an individual

We want every child to feel valued and part of school life.

Ambitious for every child

We want children to enjoy learning and feel proud of their progress.

A partnership with families

You know your child best. Your insight matters.

Our values in everyday life

“lights to the world”

Our Church of England ethos shapes how we care for others.

Care
Looking after one another

Respect
Valuing people and differences

Forgiveness
Making a fresh start

Honesty
Telling the truth

Cooperation
Working together

Resilience
Keeping going when things are hard

A supported move into Year 3

Getting to know your child

We build on information from their infant school and from you.

Making school feel familiar

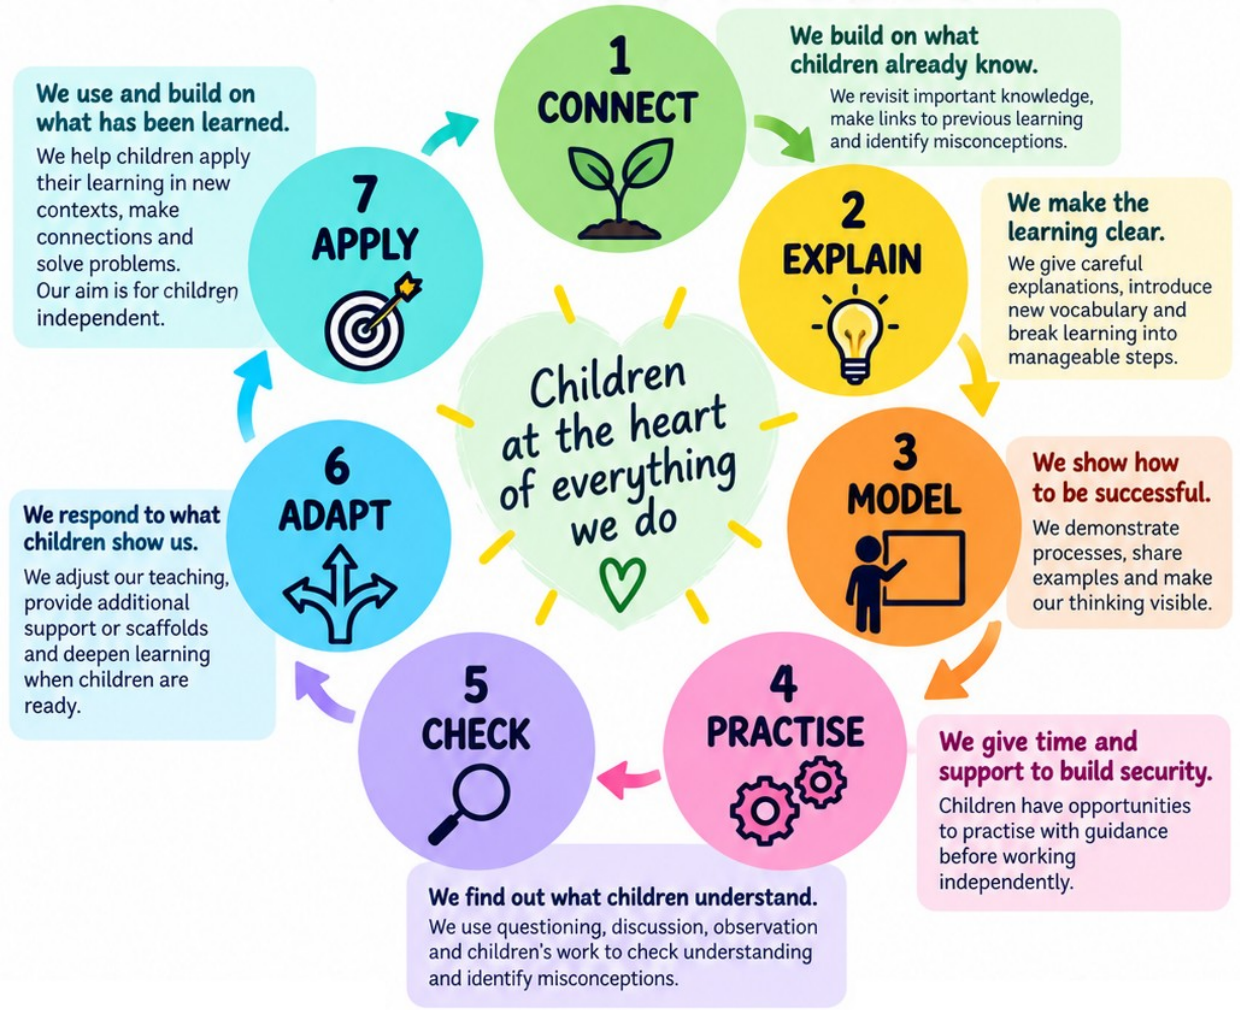

Visits help children explore the school and meet key adults.

Extra support when needed

We discuss worries and additional transition needs with families.

Teaching that helps learning stick

A broad and ambitious curriculum

Strong foundations

Reading, writing and mathematics help children access learning across the curriculum.

Room to discover new interests

Science, the arts, humanities, computing, languages, PE, RE and PSHE.

Confidence in reading, writing and maths

Reading

Fluency, understanding and the pleasure of a good book.

Writing

Finding a voice and expressing ideas clearly.

Mathematics

Secure understanding, practice and explaining thinking.

Support that starts with your child

Every child brings strengths.
Every child may need help at times.

In the classroom

Teachers adapt teaching and work with our SENCo when further support is needed.

With families

We listen to your concerns and discuss how to help your child.

For wellbeing

Pastoral and home–school support help children and families with worries.

Before the move

Tell us early about learning, medical, sensory or emotional needs.

Feeling safe and ready to learn

Be ready
Be respectful
Be safe

Clear expectations.
Positive relationships.
Adults who listen.

Friendships and belonging

We help children understand their feelings and consider others.

Learning about wellbeing

myHappymind supports confidence, relationships and resilience.

Speaking up

We encourage children to talk to a trusted adult about worries.

School life beyond the classroom

Opportunities to try something new

Music and performance
Creativity and new interests

Sport and teamwork
